## Association

### Healthy People Through a Healthy Community

The Lakehurst Revitalization Association is a non-profit group of residents in the Borough of Lakehurst whose mission is to develop and promote wholesome, healthy activities to benefit the citizens of Lakehurst.

All proceeds received are being used to support an evolving list of improvements and projects for Lakehurst residents and their families to utilize.

The first project in progress is the building of a concession stand and permanent bathrooms at Lake Horicon. The project is being financed by donations, fundraisers and a volunteer workforce.
