Councilman DiMeo asked about the progress of the demolition of the building located at 6 Union Avenue.

Municipal Clerk Capasso responded that the property owner of 6 Union Avenue has all the paperwork completed for the demolition and is now in the process of correlating a date for the demolition with the demolition company and the Lakehurst Police Department.

Councilman McCarthy asked if the Borough finances the police officers for the demolition project.

Mrs. Capasso responded the property owner applies for off-duty police officers at the site and pays the fees.

Council President Oglesby reported the tree removal and repair of the sidewalks are progressing. Mr. Oglesby also reported the rock-climbing equipment at Lake Horicon Park has cracked and Public Works Department has patched it; however, the patch is not lasting long, and the equipment is going to need to be replaced.

Mr. Oglesby stated the Historical Society has reached out to him regarding the 100th Anniversary celebration for next year adding they would like to join the council in making a huge celebration for next year.

Mr. McCarthy reported the police department's attempt to hire a lifeguard has been unsuccessful. Mr. McCarthy stated the Municipal Clerk Capasso had reached out JIF with concerns of no lifeguard on duty and stopping potential swimmers. Mr. McCarthy further stated JIF suggested the Mayor and Councilmembers speak with the Borough Attorney on the proper verbiage on the signs posted at the lake. Mr. McCarthy went on to say the attorney might suggest a sign that says "Swimming Prohibited" adding "Swim at Your Own Risk" is an invitation that could possibly return more liability to the Borough. Mr. McCarthy asked that the Public Works Committee reach out to Dave Winton, Public Works Department Head, to advertise "Lifeguard Positions Available" on the electronic signs.

Mr. McCarthy also reported Chief Kline would like permission to use Lake Horicon for National Night Out as opposed to using Fuccile Park due to the irrigation system. Mr. McCarthy suggested reaching out to the Board of Education to utilize the school's playground for the State Police helicopter landing and closing off Union Avenue for vendors and "foot traffic".

one year grant, next year it will be \$20,000 adding it is being utilized and is a specific tool for our residents and our officers.

Mayor Robbins added the program hinders liability issues as well.
