

Seniors, let's support each other through this COVID-19 pandemic.

We're here to help you stay active and stay connected.

RWJBarnabasHealth Institute for Prevention and Recovery's Hope and Healing Program offers emotional support services, education and community-based resources for individuals and families affected by the COVID-19 pandemic.

Through a variety of virtual services, this program aims to assist seniors to better adjust to their new reality, mitigate stress, review options, develop coping strategies and, if needed, find linkages to agencies, programs, and other resources in their community.
